- It is okay to reuse/recycle school supplies from previous school year(s) if in good condition (scissors, ruler, etc.)
- Please label ALL school supplies.
- Please label headphones and place in a labeled ziploc bag.
- As you go through school supplies from this past school year and shop for sales, try to collect a pahu of supplies that can be kept at home for homework assignments. We suggest a school supply box containing a glue stick, scissors, 24 count box of crayons, pencils, and some markers.
- If your 'ohana has experienced any hardship and needs kōkua with school supplies, please contact our school office for assistance. There are organizations and community members who assist by donating school supplies.
